Subject: Construction in The Village

Date: April 6, 2020 at 4:50:11 PM EDT

Dear Villagers,

We hope this email finds you all healthy and finding new ways of staying connected with loved ones. Thank you for doing your part to keep our community safe, and for going above and beyond in reaching out and helping your neighbours.

In compliance with Provincial guidelines, construction on site is proceeding with COVID-19 protocols in place. We've attached our Site Protocol for your reference should you be interested. The work on site will be limited to Lot 4 on Moseby Street, and Block 11 on Perez Road (our 2-storey townhomes).

We are making every effort to ensure the safety of the site and the trades. For your safety and for the safety of our team and the trades, please do not go anywhere near the construction sites.

If you have any questions, don't hesitate to let us know.

Regards,

Adam Hawley | Vice President
