Welcoming New Residents

A very special thanks to our Ambassadors for their dedication to keeping up to date on those moving in and out of The Village. They have welcomed about 13 new residents in the community since April with welcome packages and a gift of local jam. Our new residents have very much appreciated meeting a local neighbour.

Loyalty Partners

We have 11 loyalty partners. Sue Henry and Dee Fahlman have been promoting individual partners in our newsletters and on our web site.
