Annual General Meeting

April 16, 2025

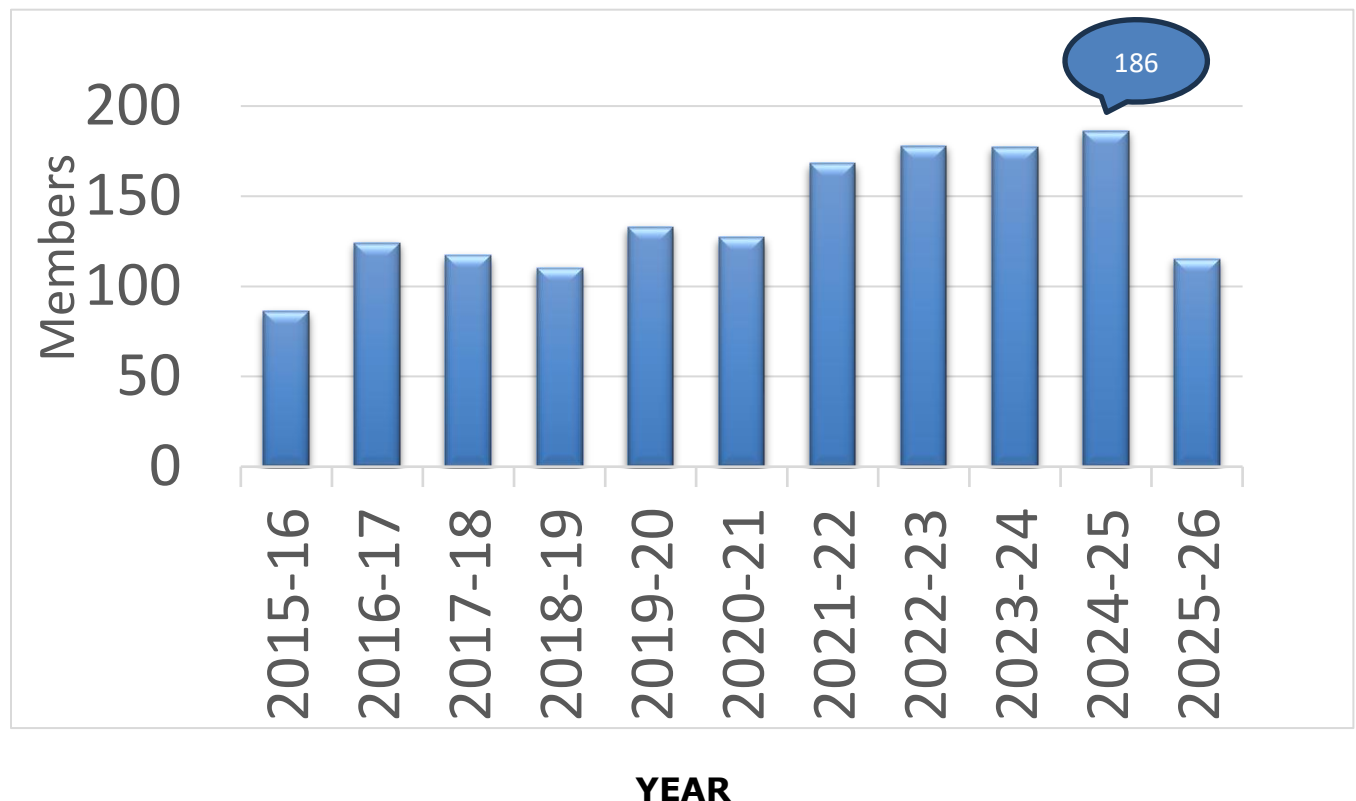

Membership Report

By Judy Huntington-Mackay

We succeeded in growing our Membership for Year End 04 30 2025

- YE 2025 was a very successful year for membership — a record 186 members. Our goal continues to be 170, and our Ambassadors encourage all new residents to join. Our hope is to maintain our membership numbers so we can continue to offer the same or more services to Members (our fees have remained unchanged at \$30 per house for years).
- Thank you to those who have renewed.

2025-2026 Membership Drive

- As at April 6, we have 134 committed members (an update will be provided at the AGM).
- If you haven't renewed or signed up, please take a few moments to sign up/renew using the web site.
- If you plan to sign up and/or renew at the AGM, **please bring your printed form with a cheque stapled to it.** Alternatively, put your cheque in an envelope (no need for the form) and print your address on the front of the envelope. Pass it along to Judy Huntington-Mackay (I will be at the registration desk as you enter the venue). We will not be signing you up at the meeting itself as it creates a large bottleneck.
- **Please help the Membership Committee meet its target of 170 (and the Membership Committee's personal goal of 186). Thank you.**

Welcome Packages & Ambassadors

During YE 2025, our Ambassadors handed out 11 Welcome Packages. Our Ambassadors continue to deliver the Welcome Package containing a jar of jam, information about the VCA, and coupons for wine tastings.

We are proud to say that this is our fifth year with almost the same dedicated group of Welcome/Membership Ambassadors.

Tina Clement replaced **Dee Fahlman** who moved to Ottawa, A big thanks to Dee for her help and support over the years with the Membership Committee and as an Ambassador and Web Assistant.

Michele Harrison and **Michelle MacDonald** are stepping in for Susan Macdonald. A big thank you to Susan for her service over the years.

We would like to thank everyone in our community for their support. I'm sure you have heard our "pitch" numerous times. Without you, we would not be able to maintain our beautiful gardens, or light up The Village during the holiday season. We couldn't offer a newsletter or web site to keep our residents up to date on happenings. And we certainly couldn't continue to make our new residents feel positive about choosing The Village as their home.

Thank you for your support.
