

## Village Community Association

General Meeting – October 20, 2021

## Holiday Decorating Committee

Dale Deslslets

- The coming 2021-2022 season will be the 10<sup>th</sup> anniversary of Holiday lighting in The Village. Congratulations and thanks to all those (the founders, past committee members, donors and many, many team volunteers and passers-by who cheered us on) who have helped make our neighbourhood decorating effort more festive, welcoming and brighter each year
- **Mark your calendar:** The 2021 holiday lighting will be on Sunday, November 28 at dusk in Dietsch Park (whether wet, dry, or snowy). Reminders and any health restriction notices will be distributed via VCA communications. Decorations will continue every evening until January.
- The annual lumières will be lit-as usual, for one evening only on Thursday, December 23
- We have had a few team members move away, so new volunteers are always welcome. Contact Dale Deslslets at 289-868-8856, or [vcadecorteam@gmail.com](mailto:vcadecorteam@gmail.com)
- Contributions and feedback are also welcome; contributions to the VCA President or Treasurer; feedback to Dale Deslslets
