

Village Community Association

Annual General Meeting

April 16, 2025

Vice-President Report

By Carol Perrin

1. Nominating Committee

In accordance with the VCA By-laws, a Nominating Committee was formed following our General Meeting in October. The committee consists of three members: Mona Babin, Pat Klotz, and myself. The positions up for election in 2025 are:

President (incumbent Ardeth Staz)

Director of Communications (incumbent Sue Henry)

And while the Membership Coordinator role is not an elected position on the Executive, there is an ongoing active search for a replacement as our current Coordinator **EXTRAORDAIRE** Judy Mackay-Huntington will be stepping down following the 2025 Membership drive.

2. The Village Round Table

As reported in my report for the General Meeting in October, a meeting of the Village Round Table was held in August 2024 and chaired by Mike Sivers. Please Mike's report for further details. The next meeting will be in the Spring of 2025 where discussion will occur with respect to its new focus and mandate, and possibly re-naming of the committee to suit its mandate.

3. Wildlife in The Village

There have been no reported adverse interactions with Coyotes in The Village reported to the VCA in the last year. There continues to be occasional sightings, which is to be expected.

It has been a very busy year for the VCA and the Executive. The Social Committee needs to be recognized and applauded for their hard work and dedication ensuring we can come together in social settings and celebrations. How about that Christmas Lighting event!

As a final comment, in these times of controversy surrounding us, I'd like to thank and acknowledge each and every resident of The Village who has made this community such a wonderful place live. We are a strong and vibrant community, united in our desire to work together and respect one and another.
