

The Village Entrance

November 18, 2020

Diane Fahlman (Committee Chair)

Project: create a horticultural addition to the entrance of The Village across from Jackson-Triggs Winery

Objective

Establish a soft entrance, defined by evergreens, that is agreeable to the residents, the developer, visitors, the town and the region.

Steps taken so far

Considerations include

1. Establish best site for placement and determine who owns the space
2. Site line requirements for Hwy 55 traffic flow
3. Site line requirements for pedestrian and bike safety
4. Other safety considerations
5. Maintenance considerations
6. Approval process and key constituents who need to be part of the process
7. Maintenance plans
8. Horticultural selection criteria
9. Could we consider hard landscaping
10. Budget considerations and annual maintenance
11. Visual and plan development details needed to proceed
12. Legal and any other considerations
