

HOLIDAY DECORATING COMMITTEE
REPORT & UPDATE - October 18, 2023
COMMITTEE CHAIR: Dale DesIslets

- **Mark your calendar:** The 2023 holiday lighting will be on Sunday, November 26 at 5:00 p.m. in Dietsch Park (whether wet, dry or snowy). The decorations will remain lit every evening until January.
- Over the summer, we spruced up the lamppost swags which were looking a bit tired after 10 years of service, and added more decorations and ribbons.
- In the coming weeks, we will be checking our inventory of decorations and lights to make sure that everything is working and in good repair before distributing the materials to the teams in November.
- Around the same time, I will be contacting the decorating volunteer teams to see if everyone is able to help again this season. If needed at that time, new volunteers are always welcome.
- Last year, as the teams began putting up our decorations, we were encouraged to see that many residents took this as their cue to do the same to their own homes. It would be great to make The Village the brightest, merriest, neighbourhood in town, so please join in.
- Contributions and feedback are also welcome; contributions to the VCA President or Treasurer; feedback to Dale DesIslets at 289-868-8856, or vcadecorteam@gmail.com
