

VCA Gardening Committee Report

April 20, 2022 – AGM

Report by Mona Babin

This past summer we were very fortunate to get a generous (and anonymous) volunteer manage the gardening efforts for all residents of The Village.

The gardens stood out and looked absolutely amazing!!! As reported in October.... “The Elizabeth park looked curated by professional hands. The volunteer also enhanced our mailbox areas with a few pots of flowers.” Thank you! To prepare for the fall, the flowers were pulled out and the bushes trimmed.

We are planning another strong planting summer with geraniums throughout The Village. The areas have been ‘cleaned’ and are ready to be ‘beautified’!

I would also like to thank the NOTL town staff who added some wood chips to spruce things up!
