Canada Day in The Village

Over 100 homes in The Village participated in the Canada Day celebration and took part in a Porch Decorating event. It was an emotional Canada Day this year. Many in our community used the day to reflect on the history and the treatment of our Indigenous people. There was an abundance of orange displayed throughout the neighbourhood as well as red and white! Executive members Ardeth Staz and Joe Allevalo were the judges and had a tough time choosing winners of the five Canadian themed prizes. Winners were selected based on their creativity, originality, artistic flair, historical references, reflection of Canada, visual appeal, and enthusiasm.

VCA 3RD Annual Golf Tournament

The annual Village Community Association Golf Tournament was held on September 8 at the NOTL Golf Club. A few sprinkles, dark clouds and sunshine followed the 64 golfers who participated in the annual scramble. Due to the heavy rains the night before, golfers had to walk as the course had a no-cart rule. Many of the participants kindly donated the unused cart fees they had already paid for towards the Liz Hawley memorial. The total donation was \$701.50. A putting contest (with a three person putt off before dinner) and the purchase of a gimmie or a mulligan were popular among the participants. Golfers and an additional 26 dinner guests gathered for beverages and a scrumptious BBQ held al fresco style adjacent to the 9th hole.

VCA President Mona Babin welcomed attendees and thanked the volunteers and social committee for arranging the excellent event. Mona also presented the merit prizes. Ardeth Staz, VCA Vice-President, assisted in the distribution of the six door prizes. A special recognition for her years of service to our community was given to Mary Taylor, a long-standing resident of The Village and a 10-year member of the Social Committee. Mary has been instrumental in planning and delivering a variety of social events through the years.
