

VCA Membership Committee Report

Year end April 30, 2024

*Prepared by: Judy Huntington-Mackay, Membership
& Welcome Committee Coordinator*

Maintaining Our Membership

Our goal continues to be 170, and our Ambassadors try to encourage all new residents to join. Thank you to those who have renewed.

2024-25 Membership Drive

- As at March 30 we have 98 committed members (an update will be provided at the AGM).
- If you haven't renewed or signed up, please take a few moments to sign up/renew using the web site. If you plan to sign up and/or renew at the AGM, please bring your printed form with a cheque stapled to it. Alternatively, put your cheque in an envelope (no need for the form) and print your address on the front of the envelope. Pass it along to Judy Huntington-Mackay or Joe Allevato (they will be at the entranceway of the Museum). We will not be signing you up at the meeting itself as it creates a large bottleneck.
- **Please help the Membership Committee meet its target of 170 (or more). Thank you.**

Loyalty Partners

- Thanks to the efforts of Ardeth Staz (President) and Mona Babin (previous President), we were able to maintain all of our Loyalty Partners, plus we added two new ones, Cake Café (was added mid-year 2023) and Joy & Movement with Anne.
- Our Loyalty Partners want each of you to use your discounts as often as possible. Shop Local!

Welcome Packages & Ambassadors

During 2023-24, our ambassadors handed out 14 Welcome Packages. The information is strictly related to our Village. We continue to provide a jar of jam and coupons for wine tastings.

We are proud to say that this is our fourth year with the same dedicated group of Welcome/Membership Ambassadors. They work hard to ensure all new residents feel welcome to our community.

We would like to thank everyone in our community for their support. Without your membership fees we would not be able to maintain our beautiful gardens, or light up The Village during the holiday season. We couldn't offer a newsletter or web site to keep our residents up to date on happenings. And we certainly couldn't continue to make our new residents feel positive about choosing The Village as their home.

Thank you for your support.
