

Holiday Decorating Committee

Report & Update - October 19, 2022

Dale DesIslets

- We are in our second decade of Holiday lighting in The Village. Once again, thanks to all the team members, neighbours and passers-by who cheered us on each season.
- **MARK YOUR CALENDAR:**
The 2022 holiday lighting will be on Sunday, November 27 at dusk in Dietsch Park (whether wet, dry or snowy). Reminders and start time will be communicated via VCA emails. Decorations will continue every evening until the end of January
- We have had a few team members move away, so new volunteers are always welcome to decorate trees or lampposts.
Contact Dale DesIslets at 289-868-8856, or vcadecorteam@gmail.com
- **EVERYONE CAN BE A VOLUNTEER:**
Every resident can help keep our neighbourhood decorations shining throughout the holiday season. If you see a set or a group of lights out, decorations askew, reindeer tipped over in the wind...whatever. Let us know, and we'll make it right. Contact Dale DesIslets at the email or phone number above.
- Contributions and feedback are also welcome; contributions to the VCA President or Treasurer; feedback to Dale DesIslets
