Gardening Committee Report

Prepared by Ardeth Staz

Our "Secret Gardener" and his helpers have agreed to tend to our gardens again this year so we will continue to enjoy beautiful flowers in our parkettes and mailbox areas. Daffodils near the Liz Hawley stone have been moved so should appear beside, instead of in front of, the stone. Thanks to new volunteer, Tim Adams who took care of most of the weeds this past season. The Town has decided to place shrubs in the bed at the corner of Macdonell and Norton, so after they bloom, we will need to move our tulip bulbs to new locations within The Village.

Thanks goes to the Town for providing plants and wood chips, and for maintaining lawns in the parkettes.

We look forward to another colourful season in The Village!
