Vice-President's Report

Prepared by Carol Perrin

1. Coyote Task Force

Considering the increased interactions with coyotes in the Spring of 2022, a VCA Coyote Task Force (CTF) was created and met regularly in the height of the season. Education was the prime focus. The CTF worked closely with Coyote Watch Canada and the Town to create awareness and educate residents on preventing and dealing with coyote interactions. There was also an information session at the Community Centre in May 2022 organized by the Town.

Currently, the CTF is focussed to resuming awareness and education through newsletters as we move into winter and prepare for the Spring season.

2. Executive Committee vacancy

The Executive currently has a vacancy for the position of Recorder / Secretary.

It's been a pleasure to work with the Executive and Committees, and I look forward to continuing the good work of the VCA!
