Gardening Report April 15, 2026

I'm sure we are all very happy to see spring after such a long cold and snowy winter! The tulip bulbs we replanted last fall seem to have survived and are popping up all over The Village, adding colour in new locations.

We have several new volunteers this year to assist our Secret Gardener so we are thinking about where we might put in additional flowers this year to add to the beauty of The Village.

As always, we are thankful to our Secret Gardener who is our lead and contact with the Town for acquiring plants each year.

With our new volunteers, it will be 'many hands make light work' and Weeds Beware!!
